### [Admission, NIAS Doctoral Programme 2023](#)

#### Instructions for the Ph.D. Application

- All applications must be submitted online; offline applications will not be considered under any circumstances.
- To apply for the PhD programme please use the “APPLY NOW” link on the home page.
- Before proceeding to the application form, applicants will be asked to register using their email ID. An OTP will be sent to the email ID provided, which will be required to proceed to the application form. Applicants must use this email ID for all communications regarding the Ph.D. program subsequently.
- Once the application form is submitted, applicants will receive an acknowledgment with an application number. Applicants must quote this application number in all communications regarding the Ph.D. program.
- The school-wise list of advertised areas will appear in the form when the applicant selects the school to which they would like to apply. Applicants should clearly mention the research area listed under a particular School for which they would like to apply. Please mention this in the block titled “Research Interest” in the online application form.
- Postgraduate students awaiting their results or appearing in their final master’s degree examinations this year, can also apply. However, if selected, their admission to NIAS will be provisional, subject to their being awarded the master’s degree, with the necessary marks or grades, as specified.
- For any query, please write to [niasphd@nias.res.in](mailto:niasphd@nias.res.in) or [admin@nias.res.in](mailto:admin@nias.res.in)
- The last date for receiving applications, with all required documents, submitted online, is 10 April 2023.
- Eligible candidates will be invited for an online written test and, if selected, for interviews, to be held subsequently.
- Eligible candidates who have already cleared the National Eligibility Tests (CSIR/DST/INSPIRE/UGC-JRF NET with an assured Junior research fellowship) will not be required to appear for the NIAS written examination. For all other candidates, the NIAS written examination is mandatory.
