Assistant/Associate Professor Vacancy
Energy, Environment, and Climate Change Program
National Institute of Advanced Studies, Bengaluru

The National Institute of Advanced Studies (NIAS) was conceived and founded in 1988 by the late Mr. J. R. D. Tata, who sought to create an institution to conduct advanced multidisciplinary research. Housed in a picturesque green campus, the Institute serves as a forum to bring together individuals from diverse intellectual backgrounds, in the natural and life sciences, humanities, social sciences, and conflict and security studies (https://www.nias.res.in).

The Energy, Environment, and Climate Change Program (EECP) at NIAS conducts policy-relevant research and trains researchers in diverse subjects, including energy & climate policy, energy-environment models, energy security, nuclear energy, and sustainable development.

NIAS is currently looking for faculty at the level of Assistant/Associate Professor with a strong research background to complement the expertise of the current faculty members in EECP. The selected candidate must have the ability and initiative to develop and secure new research projects, teach Ph.D. level courses, and accomplish other faculty assignments that may be assigned by the Director and/or Program Head.

This advertisement is for **one position at the Assistant/Associate Professor level**. **This is a rolling advertisement, and candidates can apply any time in the year 2026 till the position is filled**.

Assistant/Associate Professor

Essential Qualifications:

Ph.D. (Energy Studies/ Climate Studies/ Energy Technology) from a reputed University/ Institute, with expertise in data analysis covering both quantitative and qualitative methods in the energy-environment-climate domain. Expertise in policy studies in areas of energy policy, climate policy and international negotiations, and/or energy sector modeling is desirable.

Experience:

For Assistant Professor:

A minimum of two years of teaching/research experience in a reputed institution/ research organization/ industry at the post-doctoral level, excluding the experience gained while pursuing Ph.D. The candidate should have demonstrated research capabilities in terms of publications in reputed journals in the relevant subjects.

For Associate Professor:

A minimum of eight years teaching and/or research experience in a University / College/Research Institution or any other Indian or foreign institutions of comparable standards after the completion of Ph.D.

The Institute reserves the right to restrict the number of candidates for the recruitment process to a reasonable limit on the basis of qualifications and experience higher than the minimum prescribed in the advertisement. Mere fulfillment of the prescribed essential and desirable qualifications will not entitle an applicant to be called for an interview. The Institute reserves the right not to fill up the vacancy advertised in case suitable candidates are not found.

Interested applicants should email their CV, SOP, and other relevant details (including copies of degree certificates, two recent SCI journal publications, and contact details of four referees), in a single electronic folder marked with the candidate's name. Please clearly indicate the position for which you are applying in the subject line of the email. Short-listed candidates will be invited to NIAS for a presentation, followed by an interview. Salary will be commensurate with qualifications and experience and comparable to other premier institutions in the country.

The applications should be addressed to:

Head Administration
National Institute of Advanced Studies
Indian Institute of Science Campus, Bangalore-560 012, India
